

SCHOOL DISTRICT ARTS EDUCATION PROJECT GRANT DESCRIPTION, REVIEW CRITERIA, AND CHECKLIST

Arts Education Project grants are for any school district implementing advanced and innovative arts education initiatives implemented over the course of the school year (July 1, 2008 – June 30, 2009). Projects may include different artistic disciplines. This is not a residency grant. This is NOT a multiple residency grant.

The maximum grant award for this project is \$10,000 with a 1:1 match.

- ☐ Does the application provide evidence that the school is able to carry out the goals and objectives of the project?
- ☐ Is there evidence of the artist's educational and artistic qualifications?
- ☐ Has the applicant completed all reports/evaluations and obligations for past grants? Are these documents thorough, informative and do they document student learning? Were they sent in on time?
- ☐ Have the artists been contacted and been an integral part of the planning?

Final Checklist for Mailed Submissions

Do not staple, bind, use sheet protectors, or notebooks on any part of your application- use paperclips only.

- ☐ **Grant Cover and Statistical Form**
- ☐ **Individual Artist Budget Form(s)**
- ☐ **Budget Summary/Matching Funds Form**
- ☐ **Narrative**
- ☐ **Signature Form**

If any of this is confusing, please see the item-by-item explanation key or call the AE office at (801) 320-9794, or (801) 645-4238.

SCHOOL DISTRICT ARTS EDUCATION PROJECT COMPLETION KEY

This person coordinates the whole residency and is the lead contact for our agency. This person may be a principal, teacher, or parent.
11. Home and work phone for your on-site coordinator. Don't worry; we will call the coordinator at home only if necessary.
12. HOME street address for your on-site coordinator. This address is extremely important because planning often takes place in the summer. We also send the grant award letters to the home of the on-site coordinator. (You wouldn't want to miss finding out if you got your grant!)
13. HOME city for your on-site coordinator.
14. HOME zip code for your on-site coordinator.
15. Your on-site coordinator's email. This is our preferred method of communication.

22. Check special/underserved populations which will be involved in this project. DO NOT check the boxes just because you have special/underserved populations in your school district. Note: Underserved populations include highly rural, isolated communities or any population that lacks access to artistic resources.
23. Check the description of school instructional venues that will be involved in this project.
24. U.S. Congressional District Representative for your school. You can find your representative at www.vote-smart.org.
25. Representative(s) and senators(s) to the Utah legislature: Your school may have more than one representative and senator. List all that apply. #26 DUN & BRADSTREET (DUNS) NUMBER

26. Beginning 2006-2007, all grant applicants to the Utah Arts Council must register for a Dun & Bradstreet (DUNS) number. This number is free and can be used as an important advocacy tool for the arts. To register online for your Dun & Bradstreet number visit <http://fedgov.dnb.com/webform/displayHomePage.do;jsessionid=B8BE879C29585A863E8EB26AF9ADE8EC> or call (866) 705-5711. For additional information regarding Dun & Bradstreet numbers, call the AE office at (801) 320-9794.

#27-45 INDIVIDUAL ARTIST BUDGET FORM

27. The UAC/AE program provides grant money to cover artists' salary, travel, lodging, and food costs. In addition, a limited amount of funding for supplies and equipment can be requested. Use the *Individual Artist Budget Form* to request funds for the items listed above. **Please refer to the sample on pages 9-12.**

Applications must be completed with an artist already committed to the project. Contact your artist(s) of choice prior to submitting your application to confirm their availability and to align project goals, content, and concept.

An Arts Education Project grant may involve more than one artist. Complete the *Individual Artist Budget Form* for EACH artist. You must choose an artist(s) from the Arts Education Artist Roster **unless** your artist of choice has a known national and/or international reputation. If you are using such an artist, you must submit with your application documentation of their work such as playbills, press packets, *raisonnés*, vitae, resumes, exhibition lists, touring schedules, or publication lists. The UAC/AE board chair will determine if an artist can be used for the project for which you are applying.

If you are using an artistic company (i.e. Utah Symphony & Opera, Repertory Dance Theatre) to augment this project, USE box 51 on the *Budget Summary Form*, NOT the *Individual Artist Budget Form*.

28. Your school district's name.
29. Your school district's city.
30. The name of your on-site coordinator.
31. The name of your artist of choice.
32. The discipline of your artist of choice (Dance, Film/Video, Literature, Music, Multicultural, Multidiscipline, Storytelling, Theatre, or Visual Art).
33. Your artist's home city.
34. Your artist's home state.
35. After you choose and speak with your artist, briefly describe the project activities in which this artist will be involved. (Please refer to the *Individual Artist Budget Form* **samples** provided for reference.)
36. If you are requesting grant monies to cover the cost of materials this artist will need, please list the materials. (NOTE: You can only request up to \$400 worth of supplies. If you have more than one artist, you will have to split the \$400 between them.)
37. If you are requesting grant monies to cover the cost of equipment (i.e. kiln, Orff instruments, etc.) required by this artist, list the equipment. (NOTE: You can only request up to \$400 worth of equipment. If you have more than one artist, you will have to split the \$400 between the artists.)

38. Enter the number of hours you will be working with this artist each day in the first box. (If the number of hours the artist will be in your school varies from day to day, enter an average.) Enter the hourly wage you will be paying this artist in the second box. (Artists listed in the *Arts Education Artist Roster* expect at least \$30 per hour.) Enter the number of days you will be working with this artist in the third box. Calculate the total salary by multiplying the hours in the first box by the artist's hourly wage in the second box. Discuss these details with your artist. This can be a **tricky box** to complete. Once you enter the numbers into their respective boxes, take the number of hours and multiply them by the number of days to double check your entry. Ask yourself, "Does this figure equal the number of hours I expect the artist to be in my school?"
39. If your artist will be driving more than 60 miles round-trip to your project site, you should count on paying for any additional miles above and beyond the initial 60 miles per trip at \$0.48.5 per mile. [For example: If your artist will be traveling 150 miles round trip, you should count on paying \$43.65 (90 x \$0.48.5) each time they will be required to travel to your site.] If your artist is coming from out-of-state, you should count on paying for a compact or midsize rental car and their flight.
40. If your artist is from out-of-state or is traveling more than 75 miles from home, they may require lodging. Enter the number of days your artist will need lodging and at what rate you will be charged by the hotel/motel. The allowable state rate ranges between \$60-\$80 (excluding tax) depending on the area. Plan on \$80 for the Salt Lake Valley, \$70 for the Moab area, and \$65 for the Ogden, Provo, and Orem areas. Areas not listed above are required to stay within the range. Therefore, you are under no obligation to put your artist up at a fancy hotel.
41. Artists need to eat, too! If your artist is working or traveling during normal eating hours, plan to cover their costs. The State allows for \$35 per day. Plan on \$8 for breakfasts, \$11 for lunches, and \$16 for dinners.
42. Estimate the cost of the materials listed in box 36. Please do a little research on the cost of your materials or ask the artist who is requesting these materials for an estimate.
43. Estimate the cost of the equipment listed in box 37. Please do a little research on the cost of your equipment.
44. Add boxes 38-43. This is the total amount you are requesting from the Utah Arts Council/Arts Education program for THIS ARTIST.
45. To ensure accuracy, it is best to complete this budget with the artist. If possible, run the final numbers by the artist prior to submitting the budget to AE.

#46- 54 BUDGET SUMMARY

46. The *Budget Summary* is completed by totaling EACH *Individual Artist Budget Form*. **Please refer to the sample on page 13.**
47. Your school district's name.
48. Your school district's city.
49. Your on-site coordinator's name.

50. Add boxes 38-41 of EACH *Individual Artist Budget Form*. Add the totals together. Enter the final total here.
51. If you are using an artistic company, enter their fee here. Remember, their services must be related to your overall project activities.
52. Take box 42 of EACH *Individual Artist Budget Form* and add them together. Enter the total here.
53. Take box 43 of EACH *Individual Artist Budget Form* and add them together. Enter the total here.
54. Add boxes 50-53. **This is the amount your school is requesting as a grant. The maximum amount your school can request is \$10,000.**

#55-69 MATCHING FUNDS

55. The total in box 54 must be matched with 1:1 non-UAC funds. The funds matched can be related to this project and/or to other arts projects in your school. The funds do not need to be direct costs of this project. For example: If you took the students to an arts performance not associated with this project, you could use the bus and ticket costs as matching funds. In addition, if you are bringing in additional artists for this project or other arts projects using non-UAC funds, those expenses can be used as matching funds.
56. If any school or school district administrator works above and beyond their regular workweek and is PAID for their extra time, it is considered a CASH match. If any school administrator devotes a certain percentage of their time to this project, that percentage of their salary can be considered a CASH match. If any school or school district administrator works above and beyond their regular workweek and are NOT PAID, it is considered a IN-KIND match.
57. If any faculty or staff work above and beyond their workweek and are PAID for their extra time, it is considered a CASH match. If any faculty or staff devotes a certain percentage of their time to this project, that percentage of their salary can be considered a CASH match. If any faculty or staff work above and beyond their regular workweek and are NOT PAID, it is considered an IN-KIND match.
58. When teachers are working directly with the artist(s), substitutes are sometimes needed for their students. A substitute's salary is considered a CASH match.
59. If you are holding a community arts event in a space that could otherwise be rented, the rental fee is considered an IN-KIND match. If you must rent space for this or any other arts related projects, the fee is considered a CASH match.
60. Office supplies, telephone and utilities costs directly related to this project or to any other arts project are considered matching funds.
61. School districts often print fliers and invitations to send home to parents or make posters announcing their arts events. These costs are direct matching funds. Any additional publicity that is donated is an IN-KIND match.

62. If you have other artists coming to your school to work with students on this project or any other, you can use their salary as a CASH match. List the names of each artist and their salary or fee. If your school has an art specialist, a percentage of their salary can be used as a CASH match.
63. If you are paying the travel of additional artists (in addition to those listed in the *Individual Artist Budget Form*) to come to your school district, those costs are considered matching funds.
64. If you need more than \$400 worth of instructional materials for this project, list the supplies and estimate their costs. If your school district will be purchasing art materials not related to this project between July 1, 2008 and June 30, 2009, 75% of the cost could be considered matching funds.
65. If you need more than \$400 worth of equipment for this project, list the equipment and estimate the cost. If your school district will be purchasing arts equipment not related to this project between July 1, 2008 and June 30, 2009, 75% of the equipment cost could be considered matching funds. If the equipment purchased *were* related to this project, then the total cost would be considered matching fund and the UAC/AE program could cover \$400 of the purchase.
66. List specifically those expenses related to this project that do not fall under the above categories and estimate their costs (i.e. food and beverages for opening reception).
67. Add boxes 56 – 66. Enter the total here. This amount must be greater than or equal to box 54.
68. List where the funding amount in box 67 comes from. On the same line as the source, enter how much money will be coming from that particular source. (Examples: Title II, Title VII, Career Ladder, PTA, Supply Budget, Travel Budget, Coke Machine Money, Picture Funds, etc.) REMEMBER to place an asterisk next to donated goods and services (items and services you would have had to pay for if they had not been donated to your project). **See the *Budget Summary/Matching Funds Form* sample on page 16.**
69. This amount should equal box 67.

#70 NARRATIVE
